

ARC DATARIO

FULL STACK WEB DEVELOPER

ABOUT ME

I am a fresh graduate with 3 years of freelance experience in full-stack web development. I am eager to keep learning and growing, passionate about my work, and open to feedback for continuous improvement. I value teamwork, professionalism, and respect, and I strive to deliver quality results while further developing my career.

EXPERIENCE

2021 – 2024 Freelance Web Developer

Bussinesses

- Delivered 15+ responsive web apps and websites using HTML, CSS, JavaScript, PHP, and MySQL.
- Designed and developed custom dashboards, dynamic forms, and APIs, improving client workflows and data efficiency.
- Optimized websites for faster load times, stronger security, and seamless cross-device performance.
- Collaborated with clients from planning to deployment, achieving a 95% on-time delivery rate with positive feedback.

2022 – 2024 WordPress Developer

Bussinessses

- Built and customized WordPress sites with responsive themes and tailored plugins.
- Implemented WooCommerce, payment gateways, and API integrations for business solutions.
- Enhanced site speed, security, and SEO, improving user engagement and visibility.
- Delivered client-focused websites on time, ensuring smooth functionality and scalability.

Jan – May Web Developer
