EXPERIENCE

Web Developer
2022-2023

Experienced and dedicated web developer with a passion for creating dynamic, responsive websites and web applications. Skilled in both front-end and back-end technologies, I focus on delivering high-performance, scalable solutions that not only meet but exceed client expectations. My approach combines a deep understanding of user experience with the latest industry trends to craft websites that are visually appealing, functional, and easy to navigate. Committed to collaborating closely with clients, I strive to bring their ideas to life while driving business growth through innovative, custom web development solutions.
